| | Sprint Backlog | | | | | | | | | | |
| | | | | Exists, appropriate columns/tracking method | | | | | | | |
| | | | | - tasks flow through IP to done | | | | | | | |
| | | | | 5 - everything after "To Do" is assigned to someone all entries are story or tie to story | | | | | Create a sprint backlog that contains user stories and tasks | | |
| | | | | - no features, only stories and tasks | | | | | | | |
| | | | | - if a story is broken into tasks, no entry for story - Tasks as needed | | | | | | | |
| | | | | - (Bugs included) | | | | | | | |
